

Frequently Asked Questions

What are the hours of admissions at the Fair?

Gates hours are 7:AM – 9:PM. There are also specific ticketed events where gates are open to the specific venue at specified times.

Do fairgoers buy tickets at the gate?

Yes, but presale tickets are available online prior to arrival at the gate. Tickets can be purchased at the gate with credit card or cash.

Will gate personnel handle cash?

Yes. Receiving cash payments and making change when necessary. All sales will be entered into the Point of Sales terminal for accounting and audit requirements.

How are pre-sale tickets validated?

Presale ticket holders will present a QR Code on their mobile device or printed on paper which will be scanned for validation.

Does the Fair provide Point of Sale and Scanner devices?

Yes. POS will be a iPad or tablet. Ticket scanners will be iPhones or Android phones.

What if someone lost their ticket?

No ticket – No entry.

Season Ticket Holders can be search for by name on the Scanner, and if found can be checked in manually.

Daily Admission and/or Event Ticket Holders can NOT be searched, so there is no remedy for such lost ticket.

What if someone is making a delivery or picking up their kids?

No Ticket – No Entry. We call this our “I’m with the Band” rule.

Everyone has a story. “I’m delivering business cards to a business with a merchant display...” “I’m dropping off pies for the Cory Rawson food tent...” “I’m working for the caterer in the Old Mill Stream Centre...”

There are a handful of exceptions, such as Military personnel and Veterans. These will be listed clearly in the gate control book at your gate.
