

Free Sunday Night Gospel Worship Concert with The Morse Family Gospel Singers

7:30 PM The Old Mill Stream Centre

We are The Morse Family Gospel Singers, a Southern Gospel family music ministry from McComb, Ohio.

Our group is made up of mom and dad, Jonathan and Heidi, six of our eight children and Grandpa Bill.

As a family the Lord has called us to travel and share the powerful message of salvation through Jesus Christ. We seek to fulfill the great commission to make disciples and encourage believers by sharing the testimonies of what Jesus has done in our lives.

We truly believe the message in our music. We have experienced that life in Jesus Christ can truly be abundant, as the Bible promises, even in the darkest times. This message of hope is woven through the words of our songs and testimonies.

Our prayer is that JESUS be glorified, the saints are encouraged and the lost are saved.
